Subject: Update on Schedule

Importance: High

After reviewing your new proposed itinerary…I have the following input:

-You now want to return to NY on March 12…the Hasty Pudding Event is in NY on March 10, starts at 6pm (black tie…)

-Dinner with Gates on March 14/Dinner with the Deception crew on March 14...we need to make decision...

-Island March 16-23…So no more Vancouver March 19-21? We have two hotels (Four Seasons and Shangrila) reserved for March 19-21…do we cancel?

-Joi Ito was asking if you will fly direct from Vancouver to your island on 21st…?

For heli to Southampton, there is a heli pad, appears to be down the street about a mile from Meadow Ln South Hampton party.,
Would you like to land there if I can arrange it?
It's just a one way drop, or round trip later in the afternoon.,?

Do you have Bobby Slayton's contact info so I can get his travel details to organize apt?

I think it's a good idea to try [redacted] sister. I really think we need one person to take care of and organize all the apts. and to help [redacted] at 71st as well. I don't think logistically using the cleaning services works in the long run. There is always issues with laundry, organizing the sheets, towels, cleaning supplies, bathroom supplies, changing light bulbs, emptying out the drawers and closets. People leave things in the apts all the time and a cleaning service just does the bare essentials and nothing extra. We need someone who can take responsibility for all these things, can go out and buy needed supplies, keep things organized, etc..

Hi Jeffrey, I know you are very busy, and although I have no idea whether you received my first meeting proposal, I'm sending a second version with far fewer people. I would like to bring the five senior people from Georgia, [redacted] (Clemson Univ.), who works on chicken tails, and Hans Larsson from McGill, for a total of 7 people to mix with our 4 here at MSU, for a two-day meeting, now preliminarily (from the Doodle poll) scheduled for October 24-25.

The reason for bringing five people from Georgia is that this group is proposing to do a bioinformatics-based approach using comparative gene expression profiling to identify likely targets and transgenic technologies to modify their expression and/or function in chicken embryos. this is really big, and a very important component for the success of this project.

Also, the post-docs I have working here at MSU have gotten the protocol to create transgenic quail, which we hope will work for most experiments.

All the best,

Jack

The budget would then be:

BUDGET

In-country airfare (Athens or Greenville): $600 x 6 = $3,600

Out of country (Montreal): $800 x 1 = $800

Hotel: $125 x 6 x 3 nights = $2,250 (one sets of people will share)

Meals: $50 x 11 x 2 = $1,100 (two lunches and two dinners would be catered)

$50 x 7 x 2 = $700 (meals for participants during travel to and from)

Transportation: $200 (transportation to and from the hotel and museum)

TOTAL: $8,650

Please find attached a sales history for the past 4 years at Charles Square. The largest unit sold in the building during this time was the unit we discussed, #1008. The building average (above $2M) during this period has been $3.250M ($1,205 sq/ft).

Below is a description of each sale over $3M in the past 4 years:
#212: 2 bed, 2.5 bath duplex on the lobby level with 2,736 sq/ft sold for $3.150M ($1,151 sq/ft). This was a beautifully renovated duplex with high ceilings, large front and rear patios on the living level. The upstairs, however, was oddly configured and felt more like a 1 bedroom plus study.

#205: 3 bed, 3.5 bath duplex on the lobby level that sold in a bidding war for $3.3M ($1,530 sq/ft). Completely renovated with high ceilings, large patio on living level and deck on bedroom level. Good floorplan.

#504: 4 bed, 5 bath duplex on 5th floor with 3,485 sq/ft that sold for $3.1M ($889 sq/ft). One of the larger units in the building but in mostly original condition and 8' ceilings.

PH1105: 3 bed, 3.5 bath penthouse with 2,275 sq/ft sold for $3.450M ($1,516 sq/ft). Fully renovated penthouse with large deck and unobstructed views of the Charles and beyond.
